

Appendix B
Detailed Status Report of
Recommendations
Since 2013

Chapter Name	Department/ Agency	Year	Volume	Chapter	Par.	Recommendation	Self Reported Status
Infection Prevention and Control in Hospitals	Department of Health	2015	2	2	146	<p>We recommend the Department of Health in consultation with the Horizon and Vitalité Health Networks develop a provincial infection prevention and control program and strategy for use in all New Brunswick hospitals. This should address both routine practices and additional precautions. The provincial program should include, but not be limited to, the following:</p> <ul style="list-style-type: none"> • documented provincial infection prevention and control policies, standards and practices; • a strategy for monitoring compliance with infection control standards; and • a comprehensive hand hygiene strategy. 	Implemented
Infection Prevention and Control in Hospitals	Department of Health	2015	2	2	202	<p>We recommend the Department of Health and/or the Regional Health Authorities enhance its public reporting on the effectiveness of its infection prevention and control program(s) by reporting on hand hygiene and other infection prevention and control program performance indicators.</p>	Implemented
