

# 2024 Volume I

## Chapter 4 Highlights

<b>The strategy has 4 targets and 22 actions</b>	<b>Actions are not clearly linked to targets, and improvements to documentation would increase transparency</b>	<b>Public reporting processes have not yet been established</b>
<b>NBHC can improve processes to ensure the stated targets will be achieved</b>		

### Overall Conclusions

Our audit work concluded that the New Brunswick Housing Corporation (NBHC) has established targets and measurable actions within the NB Housing Strategy. However, there are improvements to be made regarding linkages, transparency, monitoring and reporting on progress.
